Dear NWQROC Mayors,

Re: Regional Deal for North West Queensland

Thank you for writing to me to seek my support for the Regional Deal for North West Queensland.

We understand the 6 point plan includes:

- Fair Funding for our beef, freight and tourism roads
- A power policy for the real world including remote Australia
- Investing in water infrastructure and dams
- Building our productive regions and sustainable populations through immigration incentives and correct tax arrangements
- Delivering first world telecommunications and connectivity
- Funding and delivering community services in a way that works for remote communities.

I formally write to support this plan and deal for North West Queensland and I would also formally ask that local contractors are employed on these projects.

Secondly I have written to the Prime Minister and Leader of the Opposition to call on each of them to support the plan.

Sincerely,

Hon Bob Katter MP
Federal Member for Kennedy
