Dear Mr Hoffman

SUBJECT: United Australia Party Commitment to Support in Principle the Hopes and Aspirations of the North West Queensland Regional Organisation of Councils

United Australia Party Candidates would like to express our appreciation for the invitation to attend recent NWQROC Board Meeting convened on 9 May 2019.

The NWQROC Six-Point Plan discussed during this meeting, clearly highlighted the importance of addressing the ongoing fiscal disparities and hardship being experienced in North West Queensland for the past two or so decades.

The NWQROC Six-Point Plan does have strong synergies with our current United Australia Party's key policies focussed on addressing issues around the National Broadband Network; regional development and economic growth; supporting farmers; tax incentives; processing Australian minerals and many more.

UAP Senate Candidates for Queensland Mr Martin Brewster and Mrs Yodie Batzke, fellow House of Representative Candidate for Dawson Mr Colin Thompson and I, wish to confirm and reaffirm United Australia Party's commitment to support in principle NWQROC Six-Point Plan and future hopes and aspirations for a better deal for North West Queensland.

We look forward to further discussions with NWQROC post Federal Elections on how we can work together.

Yours sincerely

Signed

Greg Dowling
United Australia Party
Candidate for Herbert QLD

Signed on behalf of United Australia Party Candidates:

Senate Candidates for Queensland Mr Martin Brewster & Mrs Yodie Batzke & House of Representative Candidates for Dawson Mr Colin Thompson
